Dear Glen Elm Families:

We have arranged an Online Store for you to purchase Glen Elm School clothing from Western Cycle Source for Sports. All orders are purchased online which means you will need a credit card/debit credit card to order. If you do not have either of those, the prepay ones you can purchase at Walmart or Superstore will work as well!

The online store will be open starting **immediately** until the end of day on **Wednesday Dec 15, 2020**. Unfortunately, we are unable to have your items ready before the Christmas season but it will be a great **late** Christmas gift!

The link for the Online Store is <https://glenelm2020.itemorder.com>. This link is also posted on our website for easy access.

If you have any questions, feel free to contact the school office at (306) 791-8588.

Thank you!
